

# Dream Team

The Mississippi Theatre Association will be searching for a “Dream Team” of college students for the annual MTA festival. The MTA festival is traditionally held on Dr. Martin Luther King, Jr. weekend and the location moves around the state each year.

Approximately 8 students who have aspirations of going into theatre, will be selected to assist the MTA Board and Staff with the running of this exciting state festival. Students will be required to work the state festival in one of the following areas:

- 1 - Executive Director Assistant / Awards
- 1 - Vice President Assistant
- 2 - Secondary / Community Theatre Festival Assistants
- 2 - College / University Auditions / Youth Individual Events / Theatre for Youth
- 2- Assistant Coordinator Assistants - Registration Set Up / Lunches / Youth Social / Playwriting Festival / Workshop Counts

Students who are selected will receive a one year student membership, paid festival registration, recognition at the awards ceremony, paid hotel (rooming with other Dream Team Members), meals, and a great experience and addition for their resume. Students not selected to participate in the Dream Team this year are encouraged to attend the annual festival as a participant or volunteer and to include that as a part of their application for the next year’s Dream Team.

Applications will be accepted September 1 - October 31 and the Dream Team will be announced November 17.
