

Mississippi High School Regional Drama Festival Information

Thank you for your interest in MTA's Mississippi High School Regional Drama Festival! The Regional Drama Festivals (North DramaFest & South DramaFest) are two-day one-act play competitions that bring schools from across the North and South regions together to share their hard work and their love of theatre.

The state is separated into North (above I-20) and South (below I-20) regions for the regional festivals. North DramaFest is held at Mississippi State University in McComas Hall. South DramaFest is held at Oak Grove High School.

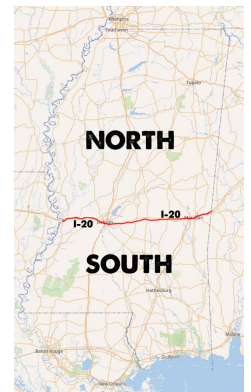

The Regional DramaFests are the qualifying festivals for the MTA Secondary One-Act Festival held during the annual festival in January (MLK Weekend) every year.

The DramaFest host schools work with the MTA Board of Directors and staff to provide the best theatrical experience possible.

Observing schools are welcome at DramaFest! This is a great opportunity to see what the festival has to offer. See the registration costs section of this document for pricing information.

We look forward to celebrating the great theatre that you are creating! We hope this experience is one that you and your students will be proud of now and for years to come.

A full list of secondary DramaFest guidelines, expectations, and rubrics can be found in the [MTA Handbook](#).

DramaFest 2025 will be held on December 5-6, 2025
